

## UNI-TEAS 2025 at Shree KKarni Universe College, Jaipur

(Organized jointly by KK Consultancy Services, Jaipur & Shree KKarni Universe College, Jaipur)

### Conference Sponsorship and Exhibition Proposal

#### Invitation to Sponsors

KK Consultancy Services, Jaipur, & Shree KKarni Universe College, Jaipur together cordially invite you to participate as sponsor in UNI-TEAS 2025, the 4th International Conference on "Universal Threats in Expert Applications and Solutions", jointly being organized by IES University, Bhopal and Shree KKarni Universe College, Jaipur in association with CSI Jaipur Chapter and Jaipur ACM Professional Chapter. The conference will be conducted in two parts at two different venues, UNI-TEAS 2025 Part 1 on 1st - 2nd Feb 2025 at Shree KKarni Universe College, Jaipur, and UNI-TEAS 2025 Part 2 on 3rd - 4th Feb 2025, at IES University, Bhopal. In making a commitment to become a sponsor, your company/organization will be assured high profile exposure at this conference.

This document outlines a variety of sponsorship packages that have been designed to ensure that our sponsors and exhibitors get the maximum value for their investment. Whether you are a sponsor or exhibitor, our expected 300+ delegates offer an excellent audience to share your innovations and to market new technologies, products and services.

#### Conference Theme

The technology has evolved with great speed in the last decade, resulting in the development of Expert Applications making life more effortless. The applications of AI, Big Data, IoT, over the platforms of Cloud computing have been emerging in the form of latest apps, gadgets, robots, ChatGPT and others with unbelievable outcomes. However, at the same time the universal threats in Expert Applications need to be focused and analysed while developing satisfactory solutions for the same. This will help the society to prevent itself from ill effects of the technological developments.

This International Conference on "Universal Threats in Expert Applications and Solutions" aims to focus on the rising universal threats along with latest technological developments, and provide a platform to unite the researchers, academicians, and other stakeholders to explore, discuss, and analyse the proposed solutions to these threats.

To understand another dimension of the conference abbreviation UNI-TEAS (pronounced as Unities), it describes that the experts across the UNIVERSE need to UNITE to understand the THREATS while giving detailed thoughts to the issues by analysing all their pros and cons in advance, so that the issues can be

addressed with proper planning and utmost care to benefit the concerned, and find out possible solutions through different technical sessions and TEA breaks during the conference, furthermore, the research works being carried would also be authenticated and validated for publishing in the conference proceedings that afterwards could be utilized by the other researchers in the UNIVERSE to fulfil their concerned research objectives.

**“Proceedings of UNI-TEAS 2025” will be published in two volumes of Springer Nature's Scopus/SCI indexed book series “Lecture Notes in Networks and Systems” (<https://www.springer.com/series/15179>)**

## Reasons to Partner with UNI-TEAS 2025

The conference will be promoted to key players in technological industry worldwide through newsletters, websites, brochures, and publicity, ensuring wide exposure for sponsors. Your brand will also receive extensive exposure on conference material, banners and in the sessions.

Expert speakers of the conference will share their views and insights on the conference topics. Their presence will be valuable to sponsors who wish to interact with them. Your representatives can network with key conference delegates to update their knowledge and understanding of your organization and services.

### The Key Benefits to the Sponsor are:

- **Engage and connect** with industry leaders, peak body representatives, opinion shapers and professionals working in the field of CS & IT that are directly relevant to your target market
- **Exclusive branding** opportunities including Delegate Name Badge, Conference Dinner, Check In Kiosk, Welcome Reception, Networking, Poster Sessions, Refreshment Break
- **Lead the agenda** on key industry issues by submitting an abstract for presentation
- **Build relationships** with delegates at key social functions
- **Generate extensive new leads** from the nation and overseas
- **Expose your organization** to academicians, researchers, engineers and scientists throughout the world
- **Build long term relationships** with potential and existing customers
- **Help Encourage Faculty & Researcher of CS & IT**, Sponsorship revenue significantly reduces the overall cost of participation, enabling more attendees to participate at the conference. Your sponsorship support helps to bring the widest possible range of regional participants to the Conference, especially those with financial limitations.

## Participants

The Conference attracts delegates from across the national and international regions, and is typically to be attended by more than 300 participants from the academic, technical, operational, business, and policymaking CS & IT communities, mainly from Europe, and partly from UK, USA, Canada, France, Germany, Netherlands, Italy, Japan, China, Korea, Thailand, Vietnam, Taiwan and more to join.

**(Please find attached at the end, the Posters having names, and details of the expected Delegates across the globe)**

The conference is relevant to:

- Researchers/Academicians working in different realms of technology
- Government agencies
- Industrial Practitioners & Entrepreneurs
- UG/PG Students

**During the conference, delegates:**

- Engage with the world's leading Internet and ICT professionals
- Discuss real-world Expert Applications, Rising Threats to Expert Applications, IoT, BigData, Cloud Computing, and Cyber Security issues
- Network with their peers
- Have their say on how Expert Applications are managed and secured.

## Sponsorships Packages

The Organizing Committee of UNI-TEAS 2025 outlines a variety of sponsorship packages that have been designed to ensure that our sponsors and exhibitors get the maximum value for their investment. Whether you are a sponsor or exhibitor, our expected 300+ delegates offer an excellent audience to share your innovations and to market new technologies, products and services.
